Pick Easy-Growing Plants

Create a "wow" look in your window boxes with double petunias. Their ruffled flowers create a lot more interest than their more traditional cousins. Enjoy their elegant blooms on the plant or snip a couple and float them in a glass of water for a wonderful little accent or summer centerpiece.

A. Petunia 'Ruffle Pink' -- 2
B. Verbena 'Aztec Raspberry' -- 3
C. Coleus (Solenostemon 'Frilly Milly') -- 1
D. Sweet potato vine (Ipomoea batatas 'Marguerite') -- 2
E. Angelonia 'Angelface White' -- 1

Go Bold with Foliage

You can't beat coleus for gorgeously colored foliage. This mix of super-saturated leaf colors will give you a great view out -- and give your home wonderful curb appeal -- all summer long. Tip: Coleus also grows well indoors; take cuttings of your favorite varieties before the end of the season and treat them like houseplants so you can enjoy them all year long.

A. Coleus (Solenostemon 'Stained Glassworks Copper') -- 1
B. Lantana 'Dallas Red' -- 1
C. Bear grass (Xerophyllum tenax) -- 2
D. Coleus (Solenostemon 'True Red') -- 1
E. Coleus (Solenostemon 'Stained Glassworks Big Blond') -- 1
F. Licorice vine (Helichrysum petiolare) -- 1

**Enjoy a Harvest**
What could be better than reaching out to your window box and grabbing a handful of edible flowers, herbs, or vegetables for supper? Try edibles with ornamental appeal for two times the pleasure. Tip: Look for dwarf varieties, such as determinate tomatoes, so your plantings don’t grow out of control.

A. Pansy (*Viola* 'Matrix' series) -- 3
B. Scented geranium (*Pelargonium* 'Rober's Lemon Rose') -- 1
C. Nasturtium (*Tropaeolum* 'Alaska') -- 2
D. Everbearing strawberry (*Fragaria* 'Ozark Beauty') -- 3
E. Bell pepper (*Capsicum* 'Purple Belle') -- 1
F. Johnny jump up (*Viola tricolor*) -- 3

**Deck Planting, Take Two**
Here’s another enchanting planting to decorate your deck or your home. Because pansy is a cool-season plant, you have the opportunity to give your window box a new look as the seasons change. Don’t be afraid to swap it out and replace it with a heat-loving plant such as blue angelonia to keep the drama going into summer.

A. Pansy (*Viola* 'Delta Beaconsfield') -- 3
B. Nasturtium (*Tropaeolum* 'Fordhook Favorites') -- 1
C. Lobelia 'Riviera Midnight Blue' -- 1
D. Dracaena marginata -- 1
